TERMS AND CONDITIONS

- Kindly note that the Agricultural PT Schemes offered, currently falls outside of the Qotho Minerals ISO/IEC 17043 Scope of Accreditation. All activities will however be conducted, in accordance with our documented Quality System. We are working towards the addition of these programs to our Scope, during 2027.
- For details pertaining to this bespoke PT program and the Qotho PT programs in general, please refer to QM-GUI-23: Agricultural PT Scheme Guide and QM-GUI-003: PT Scheme Guidelines, both of which can be found on the Qotho web-page, www.qotho.co.za, should it not already have been emailed to you.
- For details on the timing of the various rounds, please refer to QM-GUI-004 Events Calendar 2026.
- To register and participate in this bespoke PT program, you will be required to become a member of AgriLASA, if not already one.
- Once you register with us and indicate the programs that you are interested in, Qotho Minerals will quote AgriLASA, who in turn will prepare you a quotation for participation in this PT program. Your financial contract and obligation are therefore with AgriLASA. (if not already an AgriLASA member, they will forward you their application form, which can also be found on their webpage, www.agrilasa.co.za).
- Qotho Minerals is however responsible for aspects pertaining to the planning, sample preparation and execution of the PT program
- Qotho Minerals cannot guarantee the number of results that will be returned for any element within the scheme, per round.
- Your confidential laboratory code will be issued to the main contact and will be used as reference in all communications from the scheme, please keep it safe.
- The Qotho Minerals Participation Policy needs to be signed, as part of this application.
